Q: Please describe any specific teaching practices that your TA used that particularly helped you to learn the material and/or develop your own critical perspectives on the material.

- 1 Dhawal communicated effectively and promptly both in person and remotely. He was helpful in facilitating the direction of our group project

- 2 Dhawal was my tutor for my senior capstone project. He was instrumental in the feedback he provided. He personally helped me find a group, and then helped my group with multiple meetings a week.
- 3 The TA was helpful at explaining topics from the book. I was especially thankful for Dhawal as the Prof was so all over the place and unorganized, Dhawal could at least be relied upon.
- 4 was not my ta
- 5 He first gave me the push to stay in the class when I thought about dropping by the drop date. This might have been a mistake.
